Fujitsu STYLISTIC M702 Tablet PC

Designed for the toughest businesses

The Fujitsu STYLISTIC M702 is the ideal choice if you are looking for a robust yet lightweight high-performance tablet PC to support you in the field and to increase business continuity. Being water- and dustproof, it protects components most frequently damaged, making it perfect for semi-ruggedized applications. The 25.7 cm (10.1-inch) STYLISTIC M702 provides protection against environmental conditions, ensuring uncompromising productivity whether exposed to rain, humidity or dust. Moreover, it can easily be integrated into your company's Virtual Desktop Infrastructure (VDI), thus ensuring protected anytime access to your company data while its business software lets you securely manage your contacts and emails. Embedded 4G/LTE delivers latest high-speed connectivity for end-to-end performance in the most challenging situations and the Android operating system's rich multimedia features also make it perfect for private use.
