

## U2-UFO

The U2-UFO is the ultimate in computer case experience. Coming in at 18 inches cubed this box can hold just about anything and everything your heart could desire in a computer case. They can house up to 10 x 5.25 devices and up to a whopping 18 hard drives using Mountain Mods 120mm Fan Hard Drive brackets. Whether you are cooling with air, water, or phase changing solutions this is the case that can do it all. Not only does the U2-UFO have space to hold your high end components but with the high volume of air flowing in and out of the case it will keep them operating at cooler temperatures resulting in longer life and better performance.
